

“Me Box” Project

As a way to get to know one another better, I'm giving you an extra special assignment for the first day of school. Your assignment is to make a “Me Box”. Feel free to make this a family project because you may need their help. Please read the directions below. I will be sharing my “Me Box” with you as well.

Your box should be decorated with words, pictures, and objects that tell all about you. Using a cereal box you should first decorate your cereal box with paper (such as construction paper, newspaper, wrapping paper, or copy paper). Your box must include all of the following:

1. Personal Information (front of box) - Your first and last name in big letters -
Your birthday - A picture of yourself (drawn or real)

2. Personal Favorites (back of box) - Include words, drawings, or pictures neatly cut from a magazine that shows at least four of your personal favorites (you may do more if you wish to). Some examples of personal favorites are: Food, Ice Cream, Animal, Color, Sport, Activity, School subject

3. Important People (side or sides of box) - Who are the people that are most important to you? Draw the people that are most important to you (or use a real photo), and write why they are important to you. Example: _____ is/are important to me because _____ or be prepared to explain why they are important out loud.

4. Personal Grab Bag (inside the box) Inside the box, place three items that are special to you (real objects, drawn, or cut from a magazine). Be prepared to share why each item is special to you.

Have fun with this assignment and remember to be creative and colorful! I'm looking forward to seeing you and your “Me Box” very soon! ☺

School Supplies

All second grade teachers are requesting that you purchase the following school supplies for your child. It is optional, however, for you to do so. If you are unable to purchase the items, please contact your child's teacher. We always appreciate additional donations to support other children in the grade level. Most of these items are available at Walmart in August for very reasonable prices. You may bring these with you to **Meet the Teacher Night** on **Thursday, Aug. 22** (6-7 PM) if you wish. Thank you!
