

Dear K4 Preschool Families,

We hope that you are having a wonderful summer and are excited to begin the new school year. We are looking forward to sharing a terrific year with you and your child. Your child must have a full-sized backpack that will fit a 9"x13" folder. These are the items we'd like donations of, if you are able. Please bring these items when you come to orientation, or on the first day of school with your child. We appreciate your support and generosity.

Thank you,  
*The K4 Preschool Teachers*
