

Dear Kindergarten Families,

We hope that you are having a wonderful summer and are excited to begin the 2019-2020 school year. We are looking forward to sharing a terrific year with you and your child. Shopping for school supplies can be overwhelming; therefore, to assist you, we have developed a list of items that will be used throughout the school year. To avoid students having heavy backpacks the first day, you are welcome to bring any supplies with you to orientation before the first day. Many families ask what supplies are needed in our classrooms. Below is a list of optional items that would be helpful to our class. Thank you in advance for beginning the year with such support. We could not do the jobs we do without the partnership that we develop with our outstanding parents.

We look forward to meeting you!
