

# Tyrone Area School District

TITLE: FOREIGN EXCHANGE  
STUDENTS

ADOPTED: APRIL 8, 1997

REVISED:

## 131. FOREIGN EXCHANGE STUDENTS

Tyrone Area School District expects adequate notice by sponsoring agency that an exchange is being planned. Exchanges initiated after August will not be accepted.

The sponsoring agency will arrange for the potential exchange student to submit a 10-minute audio tape of the student using conversational English.

The student must be 17 years of age prior to the first day of school.

Conditional approval will be given prior to submission of the audio tape when the sponsoring agency has submitted documentation of completion of at least two years of English and/or documentation of successful communication skills. Final approval will be given only after Tyrone Area School District Administration and Board of Education review the audio tape.

Tyrone Area School District Administration will arrange for the exchange student to take specific classes on a Pass-Fail basis when appropriate.

The sponsoring agency must be evaluated by CSIET and meet Tyrone Area School District guidelines.

Tyrone Area School District Administration has the authority to limit the number of exchange students.
