<p>SC 1402(b) (c) (d)</p>	<p><u>B. Health Records</u></p> <p>The District shall require that prior to admission to school for the first time that the parent(s) or guardian shall complete a medical history report form which shall include information regarding known communicable diseases. The nurse or school physician may use such reports to advise the parent of the need for further medical care as set forth in Policy No. 209.</p>
<p>Title 28 Sec. 27.2 27.23</p>	<p>The school nurse(s) shall report the presence of suspected communicable diseases to the appropriate local health authority as required by the Department of Health.</p>
<p>SC 1409</p>	<p>All health records shall be confidential and their contents shall be divulged only when necessary for the health of the child or at the request of the parent or guardian to a physician.</p>
<p>Title 28 Sec. 23.85</p>	<p>As part of the health record, a certificate of immunization for each child enrolled shall be maintained as established by the Pennsylvania Department of Health.</p> <p>The Board shall require that the medical history information submitted with health and dental examinations required under Policy 209 "Health Examinations" be periodically revised to include recent medical advice as to communicable diseases.</p> <p><u>C. Attendance</u></p> <p>The following policy shall supplement the Board's Policy No. 204 on student attendance by establishing guidelines for the attendance of students with communicable diseases.</p>
<p>4. Authority</p>	<p>The Board authorizes that students who have been diagnosed by a physician or are suspected of having a communicable disease by the school nurse shall be excluded from school for the period indicated by regulations of the Department of Health for certain specified diseases and infectious conditions.</p>
<p>5. Procedure</p>	<p>Students who have been diagnosed by a physician as being absent due to a communicable disease not specifically listed by the Department of Health or who have been diagnosed as a carrier of such disease may be excluded for the protection of the school community under the following procedures.</p> <p>The school physician shall make a preliminary recommendation to the District as to the health risks associated with diagnosed communicable disease. In the event that potential health risks to the school community would be identified by the school physician due to the admission or continued attendance of the student in question, a panel shall be convened to review the medical history and assess the specific health</p>

<p>School Code 1303a.(a) (b) 1402, 1409</p> <p>PA Code Title 28 Sec. 23.81, 23.83, 23.84, 23.85, 27.23, 27.71, 27.75</p>	<p>risks to the identified student and to the school community.</p> <p>Prior to the panel's assessment and recommendation as to health risks, the Superintendent may preliminarily exclude the child from the educational program based upon the school physician's previous recommendation and after the Superintendent has consulted with the student's parents or guardian and personal physician.</p> <p>The Board shall name an administrator to coordinate the District's response to the issue; the administrator shall convene the panel. The panel shall consist of: the coordinating administrator, school physician, school nurse, family physician, parent, and appropriate local health official.</p> <p>The panel shall make an assessment of the potential for transmission of the communicable disease to the school community and the risks associated with potential infection. The panel shall utilize as a resource the Centers for Disease Control Guidelines on Education of Children infected with AIDS-causing viruses.</p> <p>Within ten (10) days the panel shall make a recommendation to the Superintendent regarding the attendance of the student. The Superintendent shall promptly make a final decision on attendance or alternate placement of the student.</p> <p>The panel, at the request of the administrator, shall meet periodically to assess the recommendations as to attendance.</p> <p>The administrator assigned to coordinate the District's response under this Policy shall be responsible for organizing and presenting information on communicable diseases, including AIDS, to the school community and general public as necessary to implement the plan.</p>
