

## Honors Algebra II Course Expectations:

1. Some quizzes or tests will be timed. Any questions that are not completed in the allotted time will be marked incorrect. Additional time will not be allotted.
2. There will be no extra credit provided with the exception of power teaching points and bonus questions on tests.
3. Any missing work is due by the chapter test. After the chapter test, late work will not be accepted and it will result in a zero.
4. I am available to help students at the following times:
  - 20 minutes before school or 20 minutes after school – by appointment
  - 1<sup>st</sup> period/advisory period
  - Planning period – 8<sup>th</sup> period
5. The expectations of Honors Algebra II is that students will complete homework on time, prepare for quizzes and tests, seek out help when needed, and apply themselves to this course. This course will require higher level thinking skills and the students will be challenged. It is expected that students will take responsibility for their learning.

I have read the above terms and agree to the expectations of this Honors Algebra II class.
