

2021 Marching Band Calendar & Attendance Expectations

Marching Band is a FULL commitment and a TOTAL GROUP EFFORT! Unlike sports, EVERY student becomes an irreplaceable piece of the puzzle. When students are missing, the whole band suffers. **As of Thursday, May 27 you must commit for the ENTIRE 2021 season. Think carefully about how band will impact your schedule.**

ALL Practices, Band Camp, Performances, Football Games, Competitions*, and Parades are MANDATORY.

You are making a big commitment and are expected to be here except in cases of illness or family emergencies.

If you have a job you must schedule your job around band. We work with some school sports, but you must communicate with Mr. Hock in advance.

Summer rehearsals (not band camp) are flexible. **Please Let Mr. Hock know all summer vacation dates in advance ASAP.**

***Majorettes who choose to do only football games:** your schedule will vary slightly. Be sure to communicate with Marcia Fink.

Read the marching band handbook for more information concerning ineligibility, behavior, and attendance.
