

Resources for Students and Parents

FOR TAHS STUDENTS/FAMILIES

From Sara White, College and Career Counselor: I continue to be available to students and parents with college and career questions/guidance:

Google Voice phone number (calls and texts) - (814) 682-2171

Email - smwhite@tyrone.k12.pa.us

Instagram - [tahs_college](#)

Sign up for phone or video meetings -

<https://calendly.com/tyronecollege/college-career-check-in>

Ms. White will also be hosting the **College Transition/Financial Aid workshops for senior parents, originally planned on March 23rd via video and phone conference. Families should contact Ms. White for information on how to join these calls.

Several Instructional Resources available to students using their district log in credentials:

(Grades 4 - 8) iReady Reading <https://login.i-ready.com/>

Other Math sites

Figure This! Math Challenges for Families

Online resources, ideas, and activities parents can use to support their children's math understanding (in English and Spanish).

http://www.figurethis.org/fc/family_corner.htm

Khan Academy

Math Levels: 3rd-12th+ (basic math through Calculus III)

Growing in popularity around the world, the Khan Academy is full of helpful videos explaining all sorts of math topics (they have videos on other school subjects too). When you login (free forever, they say!) you see a home screen and your child can even take a math pre-test!

<https://www.khanacademy.org/>

Learn Zillion

Contains many math video tutorials.
